

Visiting the Oxford Gliding Club

The airfield is located on the B430, with easy access from Oxford, and the M40 motorway (Junction 9).

From Oxford, join the A34 towards the M40. About 1 mile before the motorway, take the B430 signposted to Weston on the Green and Middleton Stony. Crossing the mini-roundabout, continue through the village (noting the 40 m.p.h. speed limit), and about 1 mile beyond is the main entrance to RAF Weston on the Green on the right.
